SUPER DOG-FIGHT ACTION!

DEEP STRIKE

SCENARIO

At last an opportunity to try your luck against the Red Baron and his flying circus of World War I flying aces. This game not only lets you take-off in a fully armed fighter, but also gives you control of the four bombers of your DEEP STRIKE attack force. It uses the latest techniques to bring you a smooth-scrolling and tilting 3D landscape viewed from the cockpit in full colour. Very simple flight controls combined with superb graphics and high speed action make this a MUST for all dog fight enthusiasts.
